PROFESSIONAL SUMMARY

UI/UX Designer with 6+ years of experience in designing user-centric web and mobile applications. Expertise in wireframing, prototyping, usability testing, and cross-functional collaboration. Additionally involved in recruitment support, documentation, and basic website maintenance.

PROFESSIONAL EXPERIENCE

UI/UX Designer – ThriveTec Pvt Ltd, Bangalore

June 2019 – August 2025 | Total Experience: 6+ Years

- Designed intuitive and user-centric interfaces for web and mobile applications.
- Owned end-to-end UI/UX processes including research, wireframing, prototyping, and UI delivery.
- Created low and high-fidelity wireframes using Figma, Adobe XD, and Axure RP9.
- Developed interactive prototypes to demonstrate user journeys and workflows.
- Conducted usability testing and applied feedback to enhance UX and accessibility.
- Collaborated with developers and product managers for seamless implementation.
- Ensured consistency using reusable UI components and design systems.
- Designed responsive layouts for desktop, tablet, and mobile platforms.
- Supported developers with UI assets and basic HTML5 & CSS guidance.
- Handled multitasking responsibilities including recruitment support and coordination.
- Assisted in candidate screening, interview scheduling, and hiring documentation.
- Prepared simple documentation such as user manuals and internal process guides.
- Maintained website content, UI updates, and minor layout fixes.
